

CAPE TOWN, SOUTH AFRICA

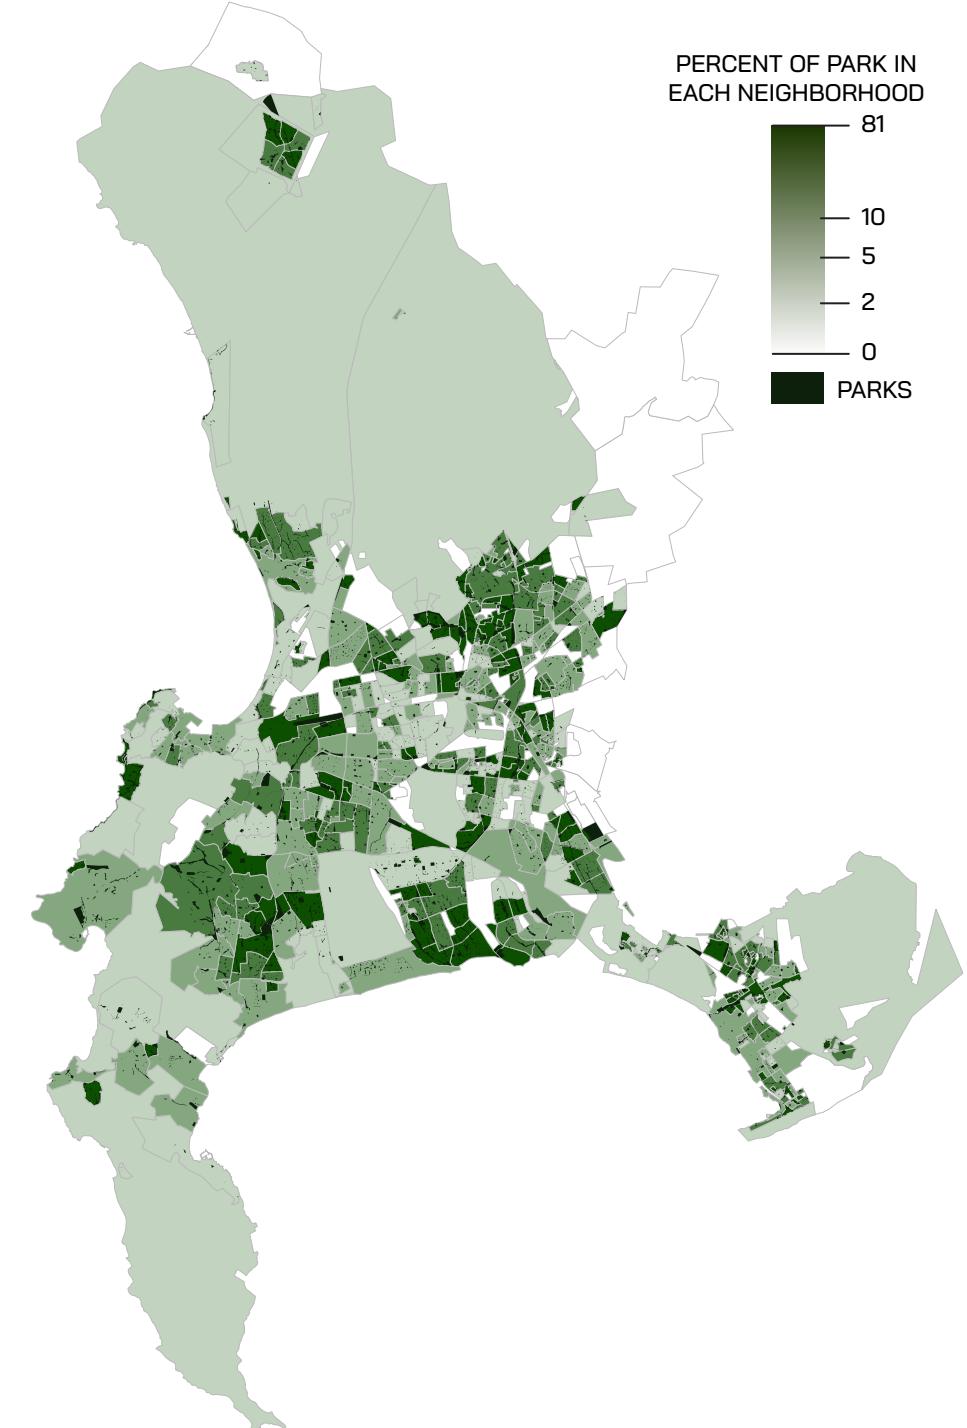

MICHAELA GWIAZDA
VIS 2128
ASSIGNMENT CHARLIE

ADJACENCY OF BUS STOPS TO PARKS

THERE ARE 88 BUS STOPS WITHIN 10 METERS OF PARKS.

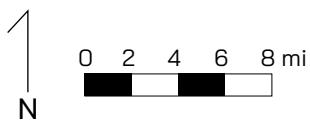

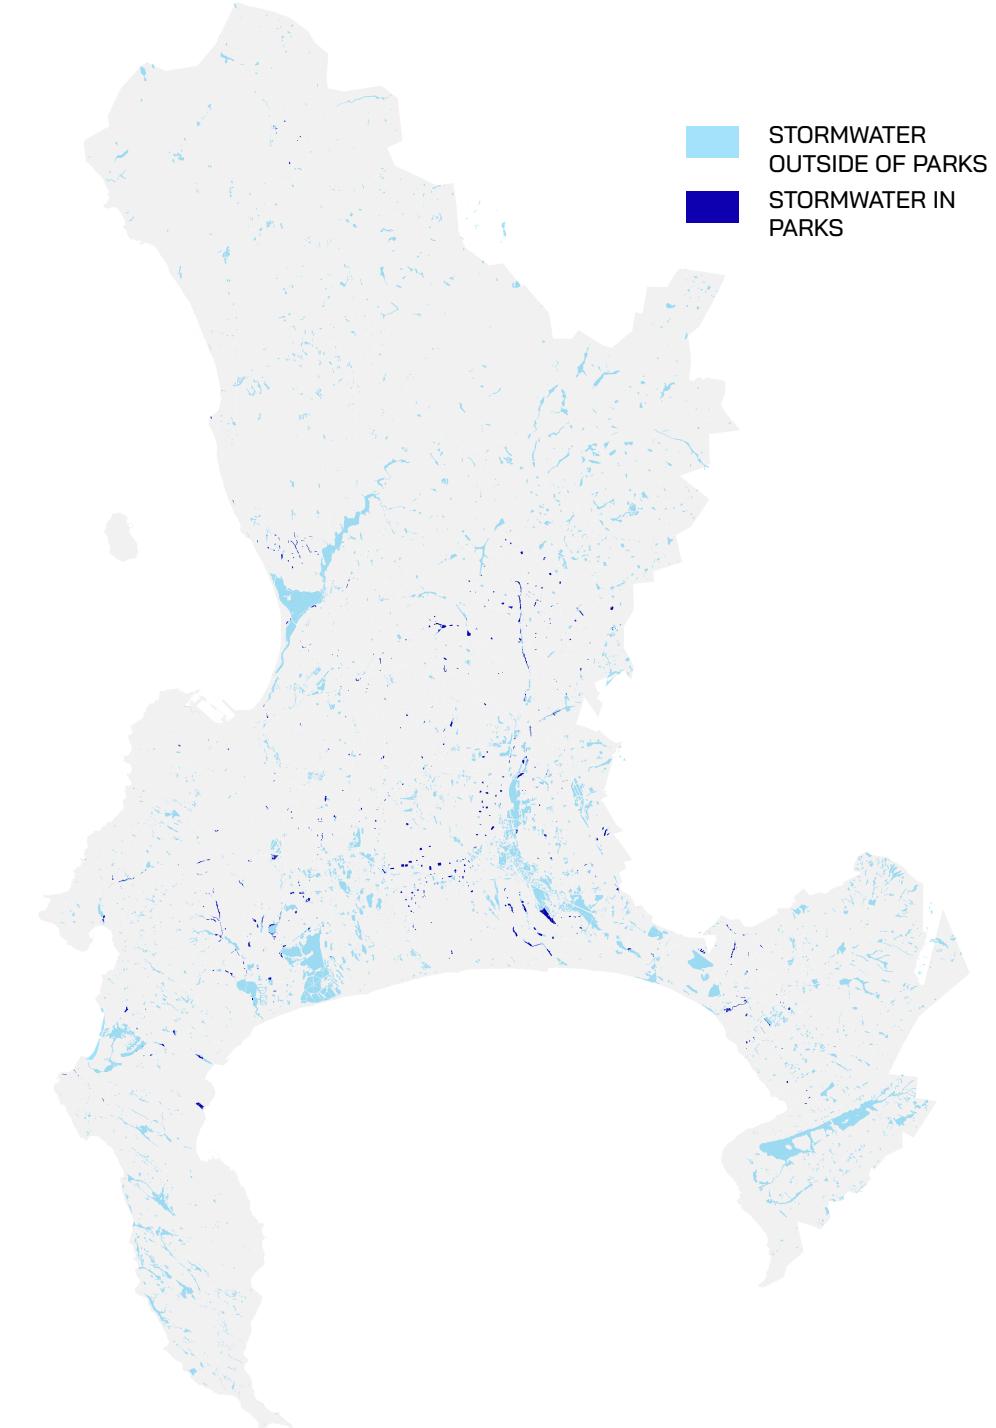

PERCENT AREA OF PARK IN EACH NEIGHBORHOOD

PERCENT OF STORMWATER IN PARKS

5.1 % OF STORMWATER IS IN PARKS.

These maps were created in QGIS with data from the Cape Town Open Data Portal.

My classmate, Karthik Girish, helped me understand the difference between permanent and temporary files in QGIS and he kindly let me use his computer to use the NNJoin plugin because it was crashing every time I tried using it on my computer.
